Yearbook Class

Foreword

As one year fades away and the next begins, another class has graduated. But will high school days be forgotten and left behind?

The 1959 Pioneer was printed in order that we may always be able to look back and recollect the happy, carefree, and yet busy hours we have spent in R. H. S. ; to see at a glance our classmates, friends, and teachers, and to keep in our hearts the many fond memories of days gone by.

We hope that each and every one greatly enjoys the book. May it always remind you of moments you wish to remember.

A. CLINTON LOY

Congratulations on your graduation from Romney High School. I hope many of you successfully continue formal educational training but those of you who do not will be better citizens in our society as a result of your secondary school training.

To each of you my very best wishes always.

A. CLINTON LOY, Superintendent
Hampshire County Schools

Principal's Message

Dear Students,

Best wishes for a happy and successful future. It has been said by John D. Rockefeller: "The road to happiness lies in two simple principles, . . . find what it is that interests you and that you can do well; and when you find it, put your whole soul into it. . . every bit of energy and ambition and natural ability you have."

It is my sincere hope that each person who attends this high school will do the best work possible to develop his interests and abilities.
